Cocoa Association of Asia
Aalst Chocolate
Mondelez International
Olam Cocoa

Dear Sir/Mdm,

On behalf of all at Tan Tock Seng Hospital and our National Centre for Infectious Diseases, I would like to thank you and Cocoa Association of Asia, Aalst Chocolate, Mondelez International and Olam Cocoa for the goodwill, encouragement and support extended to us on 30 April 2020.

During our hospital's response to the COVID-19 outbreak, our staff have been blessed to receive many well-wishes from our Community. As a hospital, we are thankful for every thought and every gesture of support. We have displayed many of the cards, artwork and letters around the hospital, and have been sharing your kind tokens of appreciation and care packages with all staff from our frontline to support departments.

We are energised by your generous well-wishes and kind support, which has nourished our hearts for the continuing journey ahead.

Thank you.

Dr Eugene Fidelis Soh
Chief Executive Officer
TTSH & Central Health
